

Sandeep Bhutiya

bhutiyasandeep@gmail.com
sandeepbhutiya.github.io

A passionate programmer with knowledge of android development using Kotlin and Flutter. Knows enough Python to automate boring stuff and sometimes plays with Web Development for some good old CSS nostalgia.

Like to stay up to date with current tech and explore new softwares and various Linux stuff.

SKILLS

Android *Kotlin, Compose*

Web *PHP, HTML, CSS, JS*

Desktop *Flutter*

Python *Scripting*

Other *Java, Dart*

Tools *Git, Office*

Interests *FOSS, PC Building*
